**And so to this year's AGM.**

**The AGM Presenters**

Gerald listening intently to a question from the floor.

Ron thanking Gerald for his detailed explanation of the Balance and Income statements.

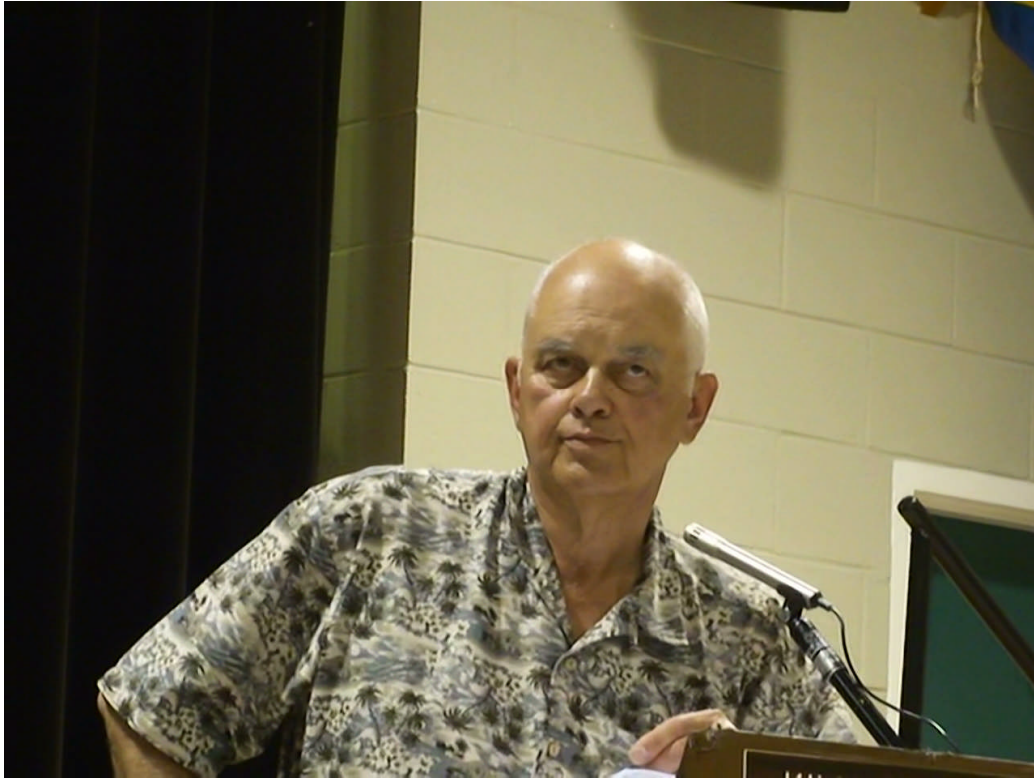

## Then to next year's List of Directors.

Barb explaining how, on TV, she found golf would put her to sleep.  
That was before she tried to put us to sleep with next year's slate of Directors, that  
is the Directors for October 1<sup>st</sup> this year.

Actually she didn't succeed as we all stayed awake!  
Well I did anyway, I had to do so!

**Motion proposing adoption of the Children's Festival 2016.**

Dave focussing on an issue that was being raised from the floor. Now Dave wonders was that for, or was that against, the motion?

Dave making sure that the proposed motion protected the Club.

And John explaining why this project was a perfect fit for the Club's aspirations.

Geoff happy that he and Marion went on their first road trip, to Long Island, after a really long time of not being able to travel any distance by car.

Painter Bob, the one with the 4 inch brush, looking for volunteers May 22<sup>nd</sup>/23<sup>rd</sup> at Shelter Link, better known as the former Nurse's Residence, which was before that was the Nurse's Residence.

Dave happy to announce his retirement, from retirement, before retirement had actually started!

Anyway, all the best for the new job!
